Target

Grounds, Arboriculture, and Parks Operations

Summary

Grounds and arboriculture operator with applicant-reported long-duration field experience and public-service work, kept separate from the technical application cohort.

Field capabilities

Eleven years of applicant-reported grounds and arboriculture work.

Pruning, planting, transplanting, watering, disease identification, soil and root inspection, site assessment, structural safety review, and client relations.

Comfortable with physical work, outdoor weather, shift variation, public contact, and herbicide-related duties when required.

Experience

Technical Networking Support, Xbox Division | Redmond, Washington | 2013 to 2014

Operations and Commercial Arboriculture Lead | Seattle-area family business | started 2015; current status unconfirmed

Freelance Technical Writer, Documentation, and Product Operations | independent practice | started 2017; current status unconfirmed

Independent Systems Engineer | independent practice | started 2023; current status unconfirmed

Public service

Applicant-reported volunteer tree work through Plant Amnesty and Seattle community service donation days.

Work included institutions and public/community sites such as Ryther Center, Danny Woo Community Garden, Good Shepherd Center, and the Cass Turnbull Memorial Garden area.

Education

High School Diploma, Wilsonville High School, 2013
