Target

Public Operations, Facilities, and Field Safety

Summary

Public operations and facilities candidate with applicant-reported field experience, service orientation, and comfort with physical and public-contact roles.

Field capabilities

Public-facing operations, facilities, field safety, and support work.

Experience with client relations, schedule-sensitive service delivery, site assessment, and safety-focused execution.

Open to physical and non-physical work, including union, port, fire-support, facilities, and public-service routes.

Experience

Technical Networking Support, Xbox/Microsoft contract | subcontracted through Stream/Convergys | Wilsonville, Oregon | 2014 to 2015

Full-time operations and commercial arboriculture | Legendary Tree (organization label) | April 25, 2015 to June 2, 2026

Legendary Tree is the applicant-provided organization label; no conventional job title or legal employer of record is asserted.

Freelance Technical Writer, Documentation, and Product Operations | independent practice | started 2017

Independent Systems Engineer | independent practice | started 2023

The 2017 and 2023 start years do not state current status or an end date; both remain unspecified.

Public service

Public-service orientation through field work, client relations, and community-facing projects.

Comfortable with practical operations work where reliability, safety, and direct accountability matter.

Education

High School Diploma, Wilsonville High School, 2013
